

## General Safety Rules

Safety comes first at all times. All members and visitors are required to observe following rules:

- The red flag must be flying whenever a shoot is in progress.
- Ear and Eye protection must be worn at all times while shooting.
- All firearms must be unloaded and open when not in use.
- Children must be under the control of adults at all times.
- Inexperienced shooters must be accompanied by experienced shooters.
- Junior and Sub-junior shooters must be accompanied by an adult.
- Visitors who are non-members of Western Australia Field and Game Association (WAFGA) and who are engaged in an activity that officially assists the Association must sign the "Visitors Book" in order to be covered by Public Liability Insurance as well as Voluntary Workers Compensation Insurance.

## Club Rules

In addition to the above mentioned safety rules the following also applies:

- The allowed shotgun ammunition size is 7-9 only. There is no provision to buy shotgun ammunition at the range, so shooters must provide their own.
- Shooting under the influence of alcohol or drugs is prohibited.
- All targets used on the range must be purchased from Wanneroo Sporting Clays.
- Only shotguns are allowed to be fired at the shooting range.
- The range is located inside a water catchment area. All rubbish must be placed in bins provided by Wanneroo Sporting Clays. Empty shotgun shells must be picked up and either taken home or disposed of in bins provided.
- Only trained and experienced members of Wanneroo Sporting Clays are allowed to handle the automatic clay target throwers.
